

RequestTracker

Description	RequestTracker
Status	running
Contact	virii , metalgamer
Participants:	everybody

We run a [RequestTracker](#) over at <https://rt.c3l.lu/>. We use it as an extension of the [ChaosMeeting](#). It is also used for tracking progress on [projects](#)

How to get an account?

As a [member](#) of the organization, you are eligible to get an account. Just ask your friendly [NOC](#).
