# Get in touch

There are different means to get in touch with us: Sending a mail to [info@c3l.lu](mailto:info@c3l.lu) or over at [Mastodon: @c3l@social.c3l.lu](https://social.c3l.lu). [Press & Media](#) should use [press@c3l.lu](mailto:press@c3l.lu) and see the [press page](#). Please note that we are all doing voluntary work here. Do not expect immediate responses! There are simply no office hours. Secondly, we are not a computer repair shop. Don't contact us to ask if we can fix your

computer. Also read this [FAQ](#), before contacting us.

You can also visit us in our hackerspace [ChaosStuff](#). See also our [Guidelines](#).

We have a publicly-available Channel on our [XMPP](#) and [Matrix](#) server. Everyone is welcome to join and chat with us:

- **XMPP:** [c3l@conference.c3l.lu](mailto:c3l@conference.c3l.lu)
- **Matrix:** [#c3l:matrix.c3l.lu](https://matrix.c3l.lu/#c3l:matrix.c3l.lu)

## Events

A summary of events and activities taking place in the near future, is featured down below. For a full list, please consider the [events page](#) or subscribe to our [atom feed](#).

- [EMFcamp 2026](#) (2026/07/16 10:00 - 2026/07/20 12:00)
- [Evoke 2026](#) (2026/08/21 - 2026/08/23 )

## Weekly Gatherings

[ChaosMeetings](#) will usually take place the **last** Monday of every month at 8 PM in the [ChaosStuff](#) or online. **Everyone** is very welcomed to join us and contribute in whatever form, which is helpful to our causes!

We are currently:

## Past events

- [ChaosMeeting](#) (2026/06/29 20:15 - 21:15)

## News

### [Meshcore Workshop vum C3L & LARU](#)

Den 20. Juni huet den LARU op säin Fieldday invitéiert wou mir d'Méiglechkeet haten, zesummen mat hinnen, een Workshop/Talk iwwert Meshcore ze halen. Dësen Virtrag huet sech éischer u Leit gerichtet, déi sech well e bëssi mat Meshcore auskennen. Mir hunn zum Beispill iwwert Regions geschwat, Air Time, Loop Detection, Integratioun an d'Home Automatisatioun. A natierlech hu mir den Meshnet Lëtzebuerg Projet u sech nach eemol virgestallt.

Nach méi interessant an wichteg, war awer datt deen Ament, all nationalen Acteur sur-place war, deen beim Meshcore Ausbau hei am Land hëlleft. Doduerch konnten mir eis organiséieren an hunn e puer Standards ausgeschafft, déi dann och vun all Acteur agehalen gëtt.

Wichteg ass, datt et net just eng Organisatioun gëtt, déi alles diktéiert, mee déi 4 Organisatiounen sech lo mol als labber Unioun zesummegedoen hunn.

Mir schwätzen hei notamment vun den Organisatiounen:

- [Chaos Computer Club Lëtzebuerg asbl.](#)
- [Luxembourg Amateur Radio Union asbl.](#)
- [Luxembourg Emergency Communications Intervention Team asbl.](#)
- [SEMPER PARATUS Luxembourg asbl.](#)

Sou gouf festgehalen, datt d'Domain [meshcore.lu](#) als Landing Page soll genotzt ginn, wou op 1 Coup all wichteg Informatiounen drop stinn. Notamment, wat sinn eis national Region(s), wéi eng Regions aus den Nopeschlänner ënnerstëtzen mir, wat fir een Path Hash Size benotzen mir, Air Time, an d'Noutwennegkeet vun korrekten Owner Informatiounen.

National Regions	EU & Nopeschlänner Regions	Air Time	Path Hash Size
#luxembourg	#europe #saarlorlux	9	2>

An d'Basics bleiwen wéi virrunner schonn s esou bestoen:

Frequenz	Preset	Bandwidth	Spreading factor	Coding rate
869.618MHz	EU/UK Narrow	62.5kHz	8	8
