Kitchen Area

The kitchen area is one of the most important areas in our Hackerspace, you cannot hack with an empty stomach. You might think now, that our kitchen only has a micro wave or a mini stove, than you are more than wrong. We have a full fledged kitchen with everything you would need to cook your own fresh meal.

You have a big fridge for the drinks, a smaller one for food, a freezer for our pizzas, a micro wave and a mini stove. There is also a hot dog and popcorn maker.

You can bring your own food to cook your meal or buy it fresh in a local store. Drinks can be bought in our hackerspace.
