

# Labels

There is a lot of stuff in the ChaosStuff. Some of it is property of the Club, some is private and some can be used to take apart. So we provide labels, that you can put on the equipment to state what it can be used for.

Use	Don't break	Don't throw away	Explanation	Picture
			Private property, keep your hands away, unless you need to move it, to reach other stuff, but be careful	
X			You can use it, take it apart and throw it away, if we don't need it anymore	
X	X		Use it, but don't break it. When it is not needed anymore, it can be thrown away	
X	X	X	Use it, but don't break it. When it is not needed anymore, the owner should be contacted	
X		X	Use it, when it's not needed anymore, contact the owner	
	X		UNALLOWED	
	X	X	UNALLOWED
