Means of transportation

Public Transport

Since the 1st of March 2020, public transport is free in Luxembourg, so no need to pay for a ticket.

Bus

There are 4 bus stations, which are very near:

1. Limpertsberg, Lycée de Garçons
2. Limpertsberg, Guillaume Schneider
3. Limpertsberg, Alen Tramsschapp
4. Limpertsberg, Bois

The line numbers, which come to one of the 4 bus stations are:

- 2
- 4
- 19
- 270

You can use Mobiliteit.lu to get the timings.

Tram

The nearest tram station is Limpertsberg, Theater (Tram). From here you can take a tram to the Kirchberg Luxexpo or to the main train station (Gare Central).

Car (Sharing)

Parking spots are available in front of the building with 132 spots and many more in the adjacent streets.

> Be aware, that from Monday to Friday, you have to pay for the parking until 18:00! The price is 1€/hour. You can park for 5 consecutive hours.

There are two Carloh stations right in front of the building on the big parking lot.

Bicycle

Nothing fancy to lock your ride on. Just bring it with you inside and put it against the wall on the ground floor. (Don't obstruct any emergency exits.)

Foot

An invention from the late 70ies called: walking.
