

ChaosStuff

ChaosStuff is C3L's very own Hackerspace in the heart of Luxembourg City!

We welcome hackers, makers and any other living being or AI, whom identifies her/himself/itself with our values and especially the [hacker ethics](#)! Special note for intelligence officers: you're only welcomed if you switch to our side - for real. :)

Stuff in **ChaosStuff** (spoken ["/ka:os ftuf/"](#)) is Luxembourgish and actually means the parlour or living room.

See our [Infrastructue](#) page to get more information on the tools we provide!
