Richtlinien

Die folgenden Richtlinien beschreiben nur einen Teil unseres Verhaltenskodexes. Der andere Teil wurde in unseren Statuten festgehalten.

Bevor eine Person zum Mitglied werden kann, muss sie oder er unser Mitgliedschaftsformular ausfüllen und unterschreiben. Damit erklärt sich diese Person auch dazu, unsere Richtlinien zu befolgen.

Einführung

The presented guidelines have been worked out by the members and may also be changed by them at any given moment in time. A ChaosMeeting only needs to agree upon the new version then. The authors inspired themselves on the hackerspace Design Patterns and bullet points which we worked out together with other global hackerspaces inCCCamp2015 working group. Besides, the experience of co-managing the first hackerspace in Luxembourg with syn2cat A.S.B.L. has been a most essential and influential parameter for the governing of a hackerspace.

Housekeeping

ChaosStuff is being cleaned on a regular base by the local cleaning staff of the building we reside in. Please take into consideration, that every member is still entitled to:

- clean up after themselves
- put things back where they have been taken from
- keeping the place as clean as possible
- wash up the dishes & clean the sink afterwards
- Leftover food, which can't be eaten anymore, belong the trash can outside!
- Don't let your food rotten in the fridge!

Members Rights & Duties

Rights

Every member has the right to use the ChaosStuff for his projects. As long as those projects are in line with the clubs goals and the Hacker ethic.

Every member has the right to ask for a storage possibility. We offer a storage box 40x30x22cm with a lid against a small deposit (25€). Personal items and unfinished hardware projects can and should be stored in this storage box. The availability is limited as we can't house storage boxes for every member. Thus a request can be rejected.

Duties

- Respect and follow the hacker ethic.
- Follow the clubs rules.
- You break it you fix it!
- Housekeeping is for everyone.
- Pay for what you consume.
- Be excellent to each other.

Visitors

Visitors are always welcomed! However, becoming a regular guest - coming by more than 3 times - means considering becoming a full member.

Building

The main entrance we are obliged to use to enter and leave, must be **closed and locked** at all times when no members are left in ChaosStuff.

The same rules apply for the club rooms.

Guidelines when leaving the space:

1. Turn off all lights (also those in the toilets)
2. Turn off all non-essential powerstrips
3. Close all doors (of our rooms, toilets and the big, heavy door in the hallway)
4. Lock the doors of our rooms and the entrance (also check that the lever of the second entrance door is in the down position)

Emergency

In case of an emergency (fire, medical incident, water leakage, etc.), the following people **must** be notified right **after the emergency services** have been alerted (in order):

Name	Telephone	E-Mail	Twitter
