Freifunk

Project	Freifunk
Description	Public WiFi done right!
Status	Running
Contact	metalgamer & orimpe & fantawams
Participants:	prometheus & deflenken & fantawams

What is Freifunk?

The freifunk community is part of a global movement for free infrastructure and open frequencies. Our vision is the democratization of the media through free networks. Free wireless communities implement this idea worldwide. from Freifunk website

What is this project about

We host and run the Luxembourgian Freifunk network (gateways, website etc). To stay up to date about Freifunk Luxembourg you should visit our official dedicated website under freifunk.lu

Meetups

To organize the freifunk project we are holding Freifunk Meetups.
