MetaData - The forgotten treasure

Date	27/05/2015
Time	10:30
Venue	121, rue de Hollerich L-1741 Luxembourg-Hollerich (nyuko.lu)
Description	A press conference about MetaData.
Website	/
Contact	prometheus
Participants	/

The press conference was organized by AXA to present a new product of theirs. C3L has been asked to bring forward the concerns of the civil party and the hackers point of view. We behaved neutral an independent to the organized and solely represented facts, which we try to alter towards a better, more privacy-aware society.
