

The Chaos Computer Club Lëtzebuerg is organizing its very first village ever! [HaxoGreen](#) offers perfect conditions to kick-off a small town on a camp.

Keep yourself updated via this wiki page, our website [\[h\]ackyard.lu](#) or at best via [our Twitter feed](#). We have also set-up a page on the [official HaxoGreen wiki](#).

The community of the [h]ackyard is looking forward to meet each and every one of you, who is joining us. Please mail us to info@c3l.lu if you'd like to become part of our little town or simply support us!

Location

We are located in the shape of a circle directly on the head of the HackCenter. Follow the signs mentioned here on the wiki or ask someone with a C3L shirt.
