## **Food & Drinks**

#### **Drinks**

You can buy drinks at the camp. Here you can find an list with all the available drinks and prices.

#### **Food**

Since we will have nice weather, we will grill, bring your own food or buy it local around the camp. Perhaps someone will cook something delicious for everyone in a workshop, but be warned everything will be grilled on the same grill, be it meat vegetable or cheese. Find more information about the workshops in our Fahrplan.
