know:

- Toilets & showers are freely accessible.

Food & Drinks

Drinks

You can buy drinks at the camp. Here you can find an list with all the available drinks and prices.

Food

Since we will have nice weather, we will grill, bring your own food or buy it local around the camp. Perhaps someone will cook something delicious for everyone in a workshop, but be warned everything will be grilled on the same grill, be it meat vegetable or cheese. Find more information about the workshops in our Fahrplan.
