[h]ackyard 2017: Bleesbréck

With pride we announce the second [h]ackyard camp! 2017's iteration of our camp will again take place at Bleesbréck from the 29th july - 6th of august. It's in a sort of barcamp style, so feel free to add your talks/workshops/sessions to the [fahrplan](#) or [contact us](#).

The goal is clear: **Eat. Hack. Sleep.**

[h]ackyard is a traditional community event, as other chaos events, that relies on your participation. Bring your projects, ideas and other cool stuff to the event and show the others.

[h]ackyard is the perfect event for you, to test things out, as we are a small camp. The familiarity and cosiness is a big feature on this event.
