FNF Demo Feedback

- Overall very happy with the demonstration, it's result and police accompaniment.
- We need activists distributing flyers with information containing "What is the demonstration about?" or "How can a protect my privacy and where do I find these information?"
- 2 flags **only** for political parties! The Pirate Party overexegerated it once again.
- No "Demo-Fecho"! #priceless
- Can we get support from the greater region?
- The whistles incited the demonstration mass.
- The fyler design needs to be improved.
- Flyers distribution needs to better organized.
- Posters need to be printed!
- We need a promotional video!
- We've made it on the streets!
- We have forgotten the C3L banner. #fail
- The pre-organization needs to be improoved.
- "Fräiheet stierft mat Secherheet." is not adequate, as folks do often not understand the context.
- All organizers need to know how to handle digital communication applications / devices.
- Budget
- Drummers!
- Big fat Stereo =D
