Minutes

Digicash Update

Was sent out!

Budget Request Queue

We will do a budget request queue in the request tracker with custom fields.

VO Telephone Changes

Our press number needs to be pointed to the numbers of virii and metalgamer

Press Queue

metalgamer was added and prometheus was removed.

Willkommensmail

Postponed to next meeting.

See Chaosmeeting 2018/03.

Pad

RequestTracker

metalgamer asked to get an introduction to administrate things in the request tracker, so that virii doesn't need to do it alone. Will be done in the future.

DNS Server

To get wildcard certificates from Let's encrypt, we need to run our DNS server. See here why. Will be done in the long future.

Publiccode

deflenken will subscribe us to the Public Money, Public Code project.
