Minutes

Esch2022 LEDArt

We are not against doing an LED Throwie workshop, we could also podcast there (at ESCH2022).

It would allow us as a club to be present in a different environment with people that might not know us yet.

Note that we would only participate for a couple of days (1-2). Here is the "Nuudel": https://cloud.c3l.lu/apps/polls/vote/5

Communiqué Bodycams, Kameraiwwerwachung

No consensus on Bodycams, focus on video surveillance.
