## Minutes

### Annual General Assembly 2023

The annual GA usually happen soon (end Feb./start Mar.), we should decide on a date range (e.g. Feb 18 - Mar 5) and then create a poll to get the exact date.

The range is Feb 20 - Mar 10. We have to announce the date 4 weeks in advance, and it has to be before Mar 17 (deadline of VDL subsidy).

A mail will soon follow with the poll link.

### Freifunk

Yearly update, among other things:

- we're shutting down our Hetzner root servers and moving to netcup VPSes to save money
- Ansible is mostly working
- we're gonna try naming the hosts in a coherent manner
- we're gonna try to migrate away from WordPress for the website
