Time	20:15
Location	ChaosStuff / nextcloud
Administrative Council Attendees:	virii , orimpe , xbr
Minutes Recording	xbr

Agenda

- USV
- Meshnet

Minutes

USV

The UPS (main) in the Lab broke, when opening it, there was battery acid everywhere.

Replacement battery did nothing. So we have to buy a new replacement battery.

We should clean the UPS, its full of acid, according to our guests, gloves are fine.
