Virstand

The members of C3L think highly of a non-present hierarchy. That's why, everything within C3L is decided by the community, be it on the regular ChaosMeetings, mailing list or the (E)GA. The committee is necessary, as the national law of NGO's states, that a such organization needs to consist at least of 3 people, forming the administrative organ.

On (E)GA's the members of C3L elect 3 persons for the different positions within the committee, to represent the NGO legally in front of the law.
