- a C3L [Kallithea](https://projects.c3l.lu/) (Source-Code Management System aka. GitHub alternative) account (<https://projects.c3l.lu/>)

You also get access to our [hackerspace: ChaosStuff](#). This includes using the provided tools in the space, aka soldering iron, 3D Printer etc... Also you can help us working on our [projects](#) and do your own.

As a member, you can collaborate on our events and organise our own events with the association. You can help us writing press articles, visit other hackerspaces and go on international events with us.

Last but not least, you help us, fighting for the good cause and greater good, defending our digital rights and civil liberties.

Käschten

D'Memberschaft fir eng Persoun déi een Akommes huet ass mindestens 120 Euro pro Joer. Fir Schüler, Studenten a ënnerstëtzen Membere mindestens 40 Euro pro Joer. Starving hackers are always welcome to send us an e-mail or come and talk to us and we'll surely find a solution.

C3L is a non-profit organization and thus, lives about its membership fees and donations. The financial support helps the organization to cover costs which are essential to run the club (e.g.

funding projects or buying hardware that is shared within club members).

We encourage you to come a few times along to the [chaosmeetings](#) and have a look around before becoming a member, this should give you the chance to take the right decision for yourself without being over-hasty.

How to become a member

Becoming a member is very easy. Just fill out this online [membership form](#) and send it to info@c3l.lu or print it and bring it in person to us, either at a [event](#) or come to our [hackerspace: ChaosStuff](#).
