C3L stands with #EdwardSnowden

The Chaos Computer Club Lëtzebuerg stands with Edward Snowden! We support whistle blowing, citizen and human rights!

We deny all methods of spying, all non-objective and non-democratic assessed procedures to legalize such activities by any institution or person; as we deeply believe in privacy!

A big thanks to Courage Foundation for offering people this opportunity!

Stand with us for #EdwardSnowden #ChelseaManning and #AaronSwartz!

Edward, Snowden, Chelsea, Manning, Aaron, Swartz, Privacy, Democracy, NSA, GCHQ, SREL, Whistleblowing
