Review of last meetings ToDo

entr0py: Choosing Topic

Done. Look here.

stoptafta.lu

- The domain will be registered with C3L.
- There will be a Wordpress set-upped.

- prometheus will manage this.

c3l.lu

We'll stick with the landing page and the wiki as it is.

Reclaim the Net Conference

- Getting in touch with déi Lénk to check if we could use the name and domain "Reclaim the Net".
- 4 times a year. Venue: Carré Rotondes (Exit07).
- Topics: cryptoParty, Round tables, lectures and so on.
- Proposing this to Yves from Exit07.

cypherpunk.lu

cypherpunk.lu should result in a resourceful wiki page with the comparison of existing proprietary software to alternative ones. Like prism-break.org.

Shop

We look forward to the cooperation with naturwelten.lu.
