Minutes

ToDo

31C3

- We should book now, even if a lot of people don't know yet if they can, as even if we can't go, we can cancel the booking without costs or very little costs
- Will eventually go:
  - kahpa
  - metalgamer
  - ch4rel
  - slopjong
  - prometheus

FOSDEM

- Will go:
  - prometheus
  - slopjong
  - k3lly

RepairCafé

- 26-28 September at the Oekofoire
- We will go on the 28th as on the 27th there is the FNF Demo
- Will go:
  - prometheus
  - metalgamer
  - virii

Linux Install Enquiry

- The person from quitter asked us to get informed about how to install linux & stuff
- We will get in touch with him, when we do a meeting in the north where he cloud join! (prometheus)

Letters to all Media-Institution

- Our mails to the media institutions land very often in the spam folder
- We will write a physical letter to the institutions that they should look into their spam folder

Namecoin Wallet

- We will create on as kahpa already has registered c3l.bit and he would donate it with some namecoins (virii)

Last Summer Dance

- We will do the same presentation as at the "Reclaim the net" conference but shorter and a discussion afterwards
- Date: 30.08.2014
