ChaosMeeting Minutes - 2014/09/07

Agenda

1. Wiki pages
2. Statutes

Minutes

Wiki pages

metalgamer will ask prometheus restructure the wiki pages from the chaosmeetings. There will be no defined date stored in the permalink but simple cm-YEAR-NUMBER. The number will be incremented and restarted in a new year at 01. Also there are some pages which need to be moved like conspiracy nights because we have one time conspiracy-nights and one time conspiracy_nights.

Here is the list of the pages that need to be moved:

Statutes

metalgamer tried to send the new statutes to the RCSL via their web interface! It didn't work! We will try again!
