Minutes

ToDo

Pls use our RequestTracker.

RCSL

We try again and watch the news from us, there is coming something big!

Pond

- https://pond.imperialviolet.org/

Lëtzebuerger Journal Article Series

See https://pad.riseup.net/p/lj-article-series

US<->LB Anti-Cybercrime Taskforce

We will do a PM, see the ML for more information.

Syncthing/Pulse

We switched from BtSync to Syncthing/Pulse, as of http://2014.hackitoergosum.org/bittorrentsync-security-privacy-analysis-hackito-session-results/

DNSCrypt for Postfix

No, as the DNS requests are already on localhost.

Open Letter about OpenGovernment

See the ML

Vakanz zu Esch

We need to redo the invoice and give them the remaining RaspberryPi's.
