## Minutes

### ToDo

Pls use our [RequestTracker](#).

### RCSL

We try again and watch the news from us, there is coming something big!

### Pond

- <https://pond.imperialviolet.org/>

### Lëtzebuenger Journal Article Series

See <https://pad.riseup.net/p/lj-article-series>

### US<->LB Anti-Cybercrime Taskforce

We will do a PM, see the ML for more information.

## Syncthing/Pulse

We switched from BtSync to Syncthing/Pulse, as of <http://2014.hackitoergosum.org/bittorrentsync-security-privacy-analysis-hackito-session-results/>

## DNSEncrypt for Postfix

No, as the DNS requests are already on localhost.

## Open Letter about OpenGovernment

See the ML

## Vakanz zu Esch

We need to redo the invoice and give them the remaining RaspberryPi's.
