Minutes

ToDo

Pls use our RequestTracker.

Sticker

*On CM 2015/25 we decided: orimpe will sponsor 2000 stickers for our *secret* project.*

orimpe need still the design.

Freifunk

C3L Members can use freifunk@c3l.lu in the email tag for their Freifunk routers.

RCSL Statuten Update

We updated our statutes at the RCSL. There were some errors, but the helpdesk was not responding. prometheus will call again.

entr0py

We will cancel our regular show at Radio ARA. As mostly nobody wants to do it, as of time constraints. We will do a podcast and ask Radio ARA if they want to broadcast that after 10P.M. That would be on a irregular basis, how we feel to do it.

staatstrojaner

rm -rf

Painting

prometheus will ask for permission at the portier.

Trac

Deadline: next monday. Every member who needs an account, will get asked.

GA Date

5th of March. Date setted!

Feedback from 32C3

It was very nice. prometheus has a new contact for the CCC Trier. Watch the talks over at media.ccc.de.

Logo Chaosstuff

prometheus will ask k3lly to redesign it, with the Chaos logo in big.
