4. Atelier – prometheus
5. Obsolete stuff – prometheus
6. RetroGaming – martianhumorist
7. Photo Sektioun C3L – virii
8. Label Writer – metalgamer

Minutes

News from the VDL

VDL visited our Hackerspace and remind use that we shouldn't cook food and the Internet stagnates…

Emergency Contact

If an emergency happens at ChaosStuff, at an event C3L is attending to or anything else related to our clubs, please

1. **call** +352–27–40–20–30
2. send a **mail to** 112@c3l.lu

Of course, always after having called the emergency services first; if needed.

What an emergency actually is, here, can be found in the ChaosStuff guidelines:

https://wiki.c3l.lu/doku.php?id=chaosstuff:guidelines#emergency

cryptoParty (18/05)

The 18/05/16 we will organize a cryptoParty at Rotondes 19:00.

Atelier

The Lap is vacated, and should stay clean ;)

We need also:

- 4 Multisteckdosen
- 2 Grouss Multisteckdosen
- Feuerlöscher prometheus
- Farben Beleuchtung
- Kabelkanal für Bodenverlegung
- Funksteckdose Fernbedienung

Obsolete stuff

We should sell our Obsolete stuff (like Scsi Disks, Server Power Supplies...) virii will sell stuff on Ebay.

RetroGaming

martianhumorist had a Idea to organize a Retro LAN-Party, with old PC/Games. Everyone who have old Hardware is in demand to help.

Here is the Project: Retro-gaming

Photo Sektioun C3L

Many members are Photographers, with the "Photo Sektioun C3L" we create a coalition and do Projects like Light Painting, share nice Locations.

LabelWriter

The LabelWriter Linux Support is BAD, feel free to improve the Wiki → labelwriter.
