Minutes

ChaosStuff @ Editus & Yellow.lu

[orimpe](#) will contact Editus and Yellow.lu to insert the ChaosStuff.

Budgetwatch

Drinks and Foot is the Budget OK.

Network and Server are great at Budget (100%)

Projects budget is at 50%

The Budget of the ChaosStuff is very low...

We take 400€ from our Network budget to raise the ChaosStuff budget.

XMPP Cert

Fixed! - [metalgamer](#)

Roud Wäiss Gro

The Reporter from "Roud wäiss Gro" has contacted [metalgamer](#) to initiate the film shooting.
[metalgamer](#) will meet the dude on 20.04 @ 19:30 "Am Safe" Dudelange .

3D Printer

The Ultimaker 2 from the Users [fantawams](#) and [orimpe](#) is now at the ChaosStuff located, in case of maintenance our 3d Printers, we will make a collective order. [fantawams](#) is takes the responsibility to maintain this order.

Spenden Support

[fantawams](#) is 3d printing the chips, how the supporters how donate more than 20€ as archiving.

Nol ob de Kapp

The status of our "Nol ob de Kapp" is: we collect more reasons against rcsL and get in touch with the editorial staff.

Initiative of the word "Hacker"

As a razzia in Luxembourg against "Cyber-crime", some medias agency (radio, tele) was call those

Black Hat Hacker, generally Hacker...

We want to take action vs a target, to get some Media attention.

staatstrojanermadein.lu

At all User, take action to create Media attention on [staatstrojanermadein.lu](#). Take a leaf of our fancy stickers and spread the world.
