Postponement of inauguration

Some members proposed to postpone the inauguration. prometheus is also in favor of it, as we don't have a projector yet and due to the fact the invitations weren't finished up. May be while hack.lu? Or in late September?

ChaosMeeting should decide what to do. If a new date is to be set already, please inform intern.

Cryptoparty (18.05)

- prometheus will bring the camera gear
- Who brings the microphones / recording device? metalgamer?

hack.lu '16

No reply yet. (Could somebody check on the mail server if the mail was actually delivered correctly?)

GPN

prometheus will not be able to join. :(
