

# Fairness Commission

## Build-up

- The commission is composed of:
  - 3 Judges
    - Judges stay anonymous
  - 2 Controllers
    - Controllers act as interface between the judges and the rest.
- All uninvolved members can be called to be judge or controller. However the post is voluntarily.

## Voting system

### Judge and controller voting

1. A hat is filled with the names of everyone who is not involved in the case.
2. 5 tickets are drawn. The first 2 will be opened and announced. Those will be the controllers.
3. The controllers get the remaining 3 tickets. These Tickets will be opened in secret.
4. The controllers will contact the judges via email.

## Sentencing

1. Question round: Everyone can ask questions and the defendant has a chance to defend himself
2. Judge voting
3. Judges write their decision via email to a mailinglist which anonymises the emails.
4. The controllers receive this decision and announce it to the rest.
