## Minutes

### Property / Use Labels

- Every member has the right to ask for storage space in ChaosStuff. Every member needs to fill out a form and submit it to the space commission for review. (Again: every member has the right to get storage, but there is limited space)
  - Criteria:
    - Regular activity / appearance in ChaosStuff
    - Paid membership fee
    - Complying with Space Guidelines
- Size: standardized grey Euro box
- Pawn: 25€ (asked on the membership form)
  - If the storage rules are not respected by a member; the Space Commission reserves itself the right to move the stuff to a general 'disposal box' where it will last for maximum a month. After that it will be thrown away.

### Merchandise Stock

- k3lly will call other shops to get printed T-Shirts.
- The first batch will be ordered at some other place than Natur Welten.
- The stock will be ordered at Natur Welten.
- All merchandise will be stocked in ChaosStuff.

### Safe

- We'll buy an office locker with an integrated safe if possible.

## Internal Currency

- ChaosStuff accepts: Euros, BitCoin & Beki Donations are welcomed
- We'll accept the Beki only for donations. If we have enough Beki's we'll shop in county Réiden.
- The internal shopping system works and is accessible at: [bitcoin.niet](http://bitcoin.niet) or on the Pi Station.

## Beckerich Sponsoring

- We'll ask [Bericher Water](#) for sponsoring.

## Guidelines for the space commission

- Any new acquisitions needs to be reviewed by the SpaCo.
- If someone wants to buy something, send a request to [spaco@lists.c3l.lu](mailto:spaco@lists.c3l.lu)
