Minutes

Property / Use Labels

- Every member has the right to ask for storage space in ChaoStuff. Every member needs to fill out a form and submit it to the space commission for review. (Again: every member has the right to get storage, but there is limited space)
    - Criteria:
        - Regular activity / appearance in ChaosStuff
        - Paid membership fee
        - Complying with Space Guidelines
- Size: standarized grey Euro box
- Pawn: 25€ (asked on the membership form)
    - If the storage rules are not respected by a member; the Space Commission reserves itself the right to move the stuff to a general 'disposal box' where it will last for maximum a month. After that it will be thrown away.

Merchandise Stock

- k3lly will call other shops to get printed T-Shirts.
- The first batch will be ordered at some other place than Natur Welten.
- The stock will be ordered at Natur Welten.
- All merchandise will be stocked in ChaosStuff.

Safe

- We'll buy an office locker with an integrated safe if possible.

Internal Currency

- ChaosStuff accepts: Euros, BitCoin & Beki Donations are welcomed
- We'll accept the Beki only for donations. If we have enough Beki's we'll shop in county Réiden.
- The internal shopping system works and is accessible at: bitcoin.niet or on the Pi Station.

Beckerich Sponsoring

- We'll ask Bericher Water for sponsoring.

Guidelines for the space commission

- Any new acquisitions needs to be reviewed by the SpaCo.
- If someone wants to buy something, send a request to spaco@lists.c3l.lu
