What can be trashed

There have been a lot of old electronics gathered which will be trashed asap.
We will only keep 1 magnet reader/backup device.
We do only keep 1 of the 9 new rack server.
The other 8 servers can be reserved by a C3L member. We will put a mail on the intern ML. Deadline is 1 Month.
If no one claims the servers, we will bring them to the recycling or to the second hand shop.
Electronic stuff for the museum has been marked accordingly.

Workbench

The workbench in the second room will asap be replaced in the first room (lab).

Drinks & Food

Pizza shall be there for the next meeting
