Minutes

Aktivitéit

virii complains that the Spaco doesn't show much activity. We concluded that we should meet every 6 weeks on saturdays.

Next meetings are:

- 2nd april at 20:00
- 7th may at 20:00
- 18 june at 20:00
- 30 july at 20:00

Bestellung Club Mate Cola

We will order 10 crates Club Mate Cola at Herresthal and ask if they are willing to order flora power. nadine will phone on monday.

prometheus will stick to getting a cellar.

If we get orders from Heintz, we will ask our concierge if he can let him in.

Nuddelen, Räis, Pesto asw

virii asked if we should stock noodles, rice etc... They would be sold against a small obolus.

nadine will go buy some.

Wärmt Waasser

virii brought a immersion heater. We need to build a construction that the heater doesn't touch the ground of the plastic box.

Kaowach

virii asked if we should order kaowach. We decided that this is not needed. If someone would like to have some ask virii as he will order some start sets for himself.

Hydroponic

virii asked if he could use the shelf in the chill, for his hydroponics project. We accepted this request.

Internet

The commune received our letter for the internet. Mister Marx send an positive answer. Mister Marx will forward the message to the commune council. So maybe in 3 weeks we will get a go from the commune.

Labelwriter

For the moment we will not buy one, as there is not that much need for it.

Radioator cover

orimpe will buy wood for building the radioator covers.
