## Minutes

### Aktivitéit

[virii](#) complains that the Spaco doesn't show much activity. We concluded that we should meet every 6 weeks on saturdays.

Next meetings are:

- 2nd april at 20:00
- 7th may at 20:00
- 18 june at 20:00
- 30 july at 20:00

### Bestellung Club Mate Cola

We will order 10 crates Club Mate Cola at Herresthal and ask if they are willing to order flora power. [nadine](#) will phone on monday.

[prometheus](#) will stick to getting a cellar.

If we get orders from Heintz, we will ask our concierge if he can let him in.

## **Nuddelen, R ais, Pesto asw**

[virii](#) asked if we should stock noodles, rice etc... They would be sold against a small obolus.

[nadine](#) will go buy some.

## **W rmt Waasser**

[virii](#) brought a immersion heater. We need to build a construction that the heater doesn't touch the ground of the plastic box.

## **Kaowach**

[virii](#) asked if we should order kaowach. We decided that this is not needed. If someone would like to have some ask [virii](#) as he will order some start sets for himself.

## **Hydroponic**

[virii](#) asked if he could use the shelf in the chill, for his hydroponics project. We accepted this request.

## **Internet**

The commune received our letter for the internet. Mister Marx send an positive answer. Mister Marx will forward the message to the commune council. So maybe in 3 weeks we will get a go from the commune.

## **Bar**

[virii](#) will buy the shelves for building the bar.

## **Labelwriter**

For the moment we will not buy one, as there is not that much need for it.

## **Radioator cover**

[orimpe](#) will buy wood for building the radioator covers.
