Donations

A club can only live with members and money.

A simple overview of fund-able projects has now been created. So if you want to help us finishing projects or to kick-start new ones then please go ahead. Check out our current projects and decide by yourself what you want to actively support. No project found that you are interested in? Join us and launch it by yourself!

We accept cash via mail and of course wire transfers!

Bank Details

```
Account-Holder: Chaos Computer Club Lëtzebuerg
BIC/Swift: BCEELULLXXX
IBAN: LU29 0019 2855 3890 4000
Communication: Donation $PROJECTNAME
```

You can of course also donate without specifying a project!

Membership

See the Membership page.
