```
At the GA, there's a vote if the committee members should be acquitted of
their position.
The vote is positiv by simple majority. If the vote is negativ the
redemption clause takes place.
```

The redemption clause

```
A voted member in the committee must make amends for not or incompletly
covering his tasks if there's no
acceptable reason. First a deadline is voted in which the committee member
must completly solve his tasks.
If the committe member can't accomplish this, the following options are
available:
<del>* Paying a compensation which covers the damage of the undone
tasks.</del>
* Time ban from the committee. Can varie from 1-3 years.
* Retirement of his current position.
* Exclusion from the club can be enforced.

The deadline vote is set up by the committee except the concerned member.
The nature of the amend is also taken by the committee except the concerned
member.
Options can be combined.
