

# Administrative Council

The members of C3L think highly of a non-present hierarchy. That's why, everything within C3L is decided by the community, be it on the regular [ChaosMeetings](#), mailing list or the (E)GA. The committee is necessary, as the national law of NGO's states, that a such organization needs to consist at least of 3 people, forming the administrative organ.

On (E)GA's the members of C3L elect 3 persons for the different positions within the committee, to represent the NGO legally in front of the law.
