Project	Electrical trike
Description	DIY e-trike
Status	Planning
Contact	orimpe
Participants:	nobody

I want to build e electrical trike.

- Big battery
- fast ~1000W
- coupler

The Main function is to drive on camps like [h]ackyard.

Brainstroming....

- Ech hunn Kontakt zu engem wou Alu schweessen kann, also kann ech do den Chassis ufroen.
- Et geet duer wann eng Axe ugedriwwen ass
- optional engt gedriwwe fir den Moto, keng Kupplung matt Gäng
- keng Lipo wann méiglech, Sécherheetsgrënn
