

Game of Life

Name	Game of Life
Description	Game of Life cluster
Status	Running
Contact	orimpe
Participants:	metalgamer

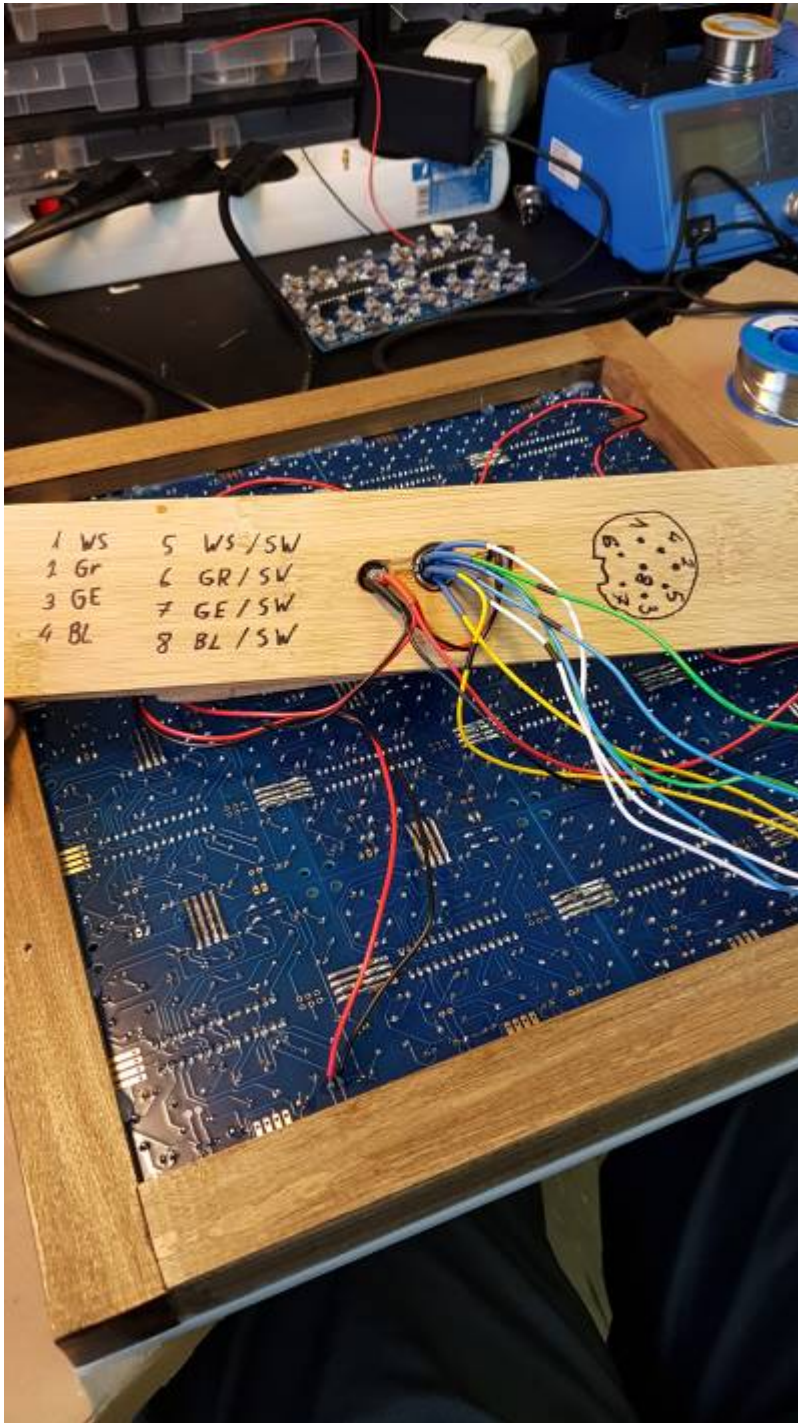

We use 16 [Adafruit Game of Life's](#) and High Power LED's and connect each other Panel, so we get a huge Game of Life with different colors. It's not the perfect because its really expensive by using the soldering kits ...

Here on the right is a finish panel (with orange LED's) an the first pieces of the second panel (with blue LED's) →

Partlist

- [Adafruit Game of Life](#)
- [8PIN DIN connector](#)
- [LED 5mm klar orange 2500mcd](#)
- 25mm x 25mm Wood
- 335mm x 335mm x 5mm [Acrylglas](#)

How if the Wiring
