Kitchen Area

The kitchen area is one of the most important areas in our [Hackerspace](#), you cannot hack with an empty stomach. You might think now, that our kitchen only has a micro wave or a mini stove, than you are more than wrong. We have a full fledged kitchen with everything you would need to cook your own fresh meal.

You have a big fridge for the drinks, a smaller one for food, a freezer for our pizzas, a micro wave and a mini stove. There is also a hot dog and popcorn maker.

You can bring your own food to cook your meal or buy it fresh in a local store. Drinks can be bought in our hackerspace.
