Guidelines

There exist a guideline for using our Hackerspace. Yes we encourage creating a TAZ (Temporary Autonomous Zone) but when a bunch of hackers come together and as everyone has a different point of view what "cleaning" and being "excellent" to each other means - this seemed necessary.

Space Commission

The Space Commission (SpaCo) is a group of 5 people whom have volunteered for the task of managing ChaosStuff as facility.

Badge Access

Two rooms. One badge. If you'd like to have one, please get in touch with info@c3l.lu or pop by at a ChaosMeeting.

- 4. After the SpaCo has reviewed and accepted your request, the Secretary will contact the municipality.

- 6. If your request is granted, a key deposit of 10€/key must bed paid. (How is it with the badge?)
