**ChaosStuff is C3L's very own Hackerspace in the heart of Luxembourg City!**

 Get your passport stamped (and/or) even [NFC chipped!](#)  
You don't own a Hackerspace Passport yet? Get one from us :)

We welcome hackers, makers and any other living being or AI, whom identifies her/himself/itself with our values and especially the [hacker ethics!](#) Special note for intelligence officers: you're only welcomed if you switch to our side - for real. :)

*Stuff* in **ChaosStuff** (*spoken "/ka:os ftuf/"*) is Luxembourgish and actually means the parlour or living room.

See our [Infrastructure page](#) to get more information on the tools we provide and about our hackerspace!
