

# cryptoparty - Onward!

**cryptoparty: Onward!** is the first cryptoparty taking place in Luxembourg. We choose the topic **Onward!** to declare our stand for legal and mass spread [cryptography](#) over the world, starting for our corner in world.

## Time & Place

<b>When</b>	12th of January 2013, from 10 AM to open end
<b>Where</b>	Centre Barblé, rue des Romains (opposite of the commune), L-8041, Strassen, Luxembourg (Europe, Earth)
<b>Map</b>	<a href="#">Click here!</a>

Please bring your **notebooks!**

## Stay overnight?

- [Luxembourg - Youth Hostel](#)
- [Booking.com - Hotels in Strassen](#)
- Or just get in touch with us at [info@c3l.lu](mailto:info@c3l.lu) and we're probably able to accommodate you at some place at our /home.

## Keynote

Time	Subject	Description	User(s)
10h10	Welcome Speech	Why? Who? What?	<a href="#">virii</a> , <a href="#">rafiot</a> , <a href="#">prometheus</a>

16h00	let me pass	hiding data in ICMP packages	Lecture	<a href="#">virii</a>
16h15	Just swallow it!	Encrypt your Arch Linux system with dm-crypt and hide the keyfile on a MicroSD Card and boot from it.	Both	<a href="#">prometheus</a>

## Workshops

Subject	Description	Workshop / Lecture	User(s)
XMPP   OTR for Beginners	Installing related Software, registering account, til using it will be explained in this workshop.	Both	<a href="#">prometheus</a>
PirateBox	Get your hands dirty	Workshop	<a href="#">virii</a>

## Lightning Talks

Lightning Talks don't last longer than 5 minutes and are meant to tease your curiosity about a topic or simply to make you aware of something, you might have not known yet. If you'd like to do a Lightning Talk, please don't hesitate to contact: [info@c3l.lu](mailto:info@c3l.lu) or ask a staff person on the conference.

## Let's socialize

A crypto**Party** without a really party, wouldn't be a crypto**Party**. To conclude the lectures & workshops, we finish up with the *Keysigning Party* and afterwards focus all our efforts on Club-Mate, the Hackcenter and the good music!

Time	Subject	Description	User(s)
6PM to 8PM	KeySigning Party	Trust process initialized	prometheus
9PM to OpenEnd	CryptoParty	Music, Tshunk & Hacking	<b>everyone</b>

**Permalink:** <http://ur1.ca/cfkxn>

## Media Files

- Watch a behind [the scene video](#) of [Jan GUTH](#) talking about Cryptoparty and crypto in general ( Luxembourgish! )
- Have a look at some [Presentation Slides](#)
