# Freifunk

<b>Project</b>	Freifunk
<b>Description</b>	Public WiFi done right!
<b>Status</b>	Running
<b>Contact</b>	<a href="#">metalgamer</a> & <a href="#">orimpe</a>
<b>Participants:</b>	<a href="#">prometheus</a> & <a href="#">deflenken</a> & <a href="#">fantawams</a>

## What is Freifunk?

*The freifunk community is part of a global movement for free infrastructure and open frequencies. Our vision is the democratization of the media through free networks. Free wireless communities implement this idea worldwide. from [Freifunk website](#)*

## What is this project about

We host and run the Luxembourgian Freifunk network (gateways, website etc). To stay up to date about Freifunk Luxembourg you should visit our official dedicated website under [freifunk.lu](https://freifunk.lu)

## Meetups

To organize the freifunk project we are holding [Freifunk Meetups](#).
