cryptoParty & Rotondes Aftermath

- 6 months no joint events, so both sides can rethink the concept of the offered cryptoPartys
- The 'Rotondes' are still out partners
- deflenken will still manage the cryptoParty's Facebook site in the future
- After the 'corporate identity' has been set for C3L, drafts will be send to Ornella & Yves for review.

cryptoParty & C3L / Hacker Photography @ PCE

- 15/07/2016, 20h00 @ PCE in Esch/Uelzecht
- prometheus will talk about the most essential parts of securing devices and people's digital life's. It will be adapted specifically to a photography and elderly audience.
- Everyone one is welcome to join, just ping prometheus
- Apart from cryptopartying, prometheus will show off an entire collection of photographs taken on various hacker events.

hack.lu '16

- @adulau confirmed C3L's opportunity of participation
- he'll ping us for our suggested activities, events and a new way of generating funds for Tor as soon as they're at it on their agenda

• (!) Whomever would like to sleep at the conference, needs to send prometheus a mail, so he can arrange hotel reservations. Deadline: this week. (!)
