Roud Wäiss Gro

RWG is present at the [H]ackyard. Saturday, at the evening we should organize a conspiracy night. And RWG want a road trip to the 33C3, wardriving and recording the sounds with [user:metalgamer]].

Trac

We kill our Trac, unanimous →  Delete!
Nobody use it, and it takes too much resources. [metalgamer](#) search a single software which can't mercurial or git etc..

hack.lu

We need a full time member more at the hack.lu. We have no time to make a talk, because we refuse to make a lame "who we are" talk. All the donation are for the FVDE, the money from the drinks going to the C3L.

- Make a request at the <https://www.nostarch.com/>
- sell the soldering kits
- sell a omega2
- ask sponsors
- fsociety mask to sell ?
